Dear HIC Family Members,

Allah “is the best of planners¹” and he has a plan for everyone and everything. That includes you, and it includes Hillside Islamic Center. None of us can fully know Allah’s plan—the best we can do is have good intentions, make sincere effort, and pray for guidance by listening for clarity. Our masjid leadership has been doing just that and are excited to announce our latest masjid expansion project.

We have started the process to build a third floor on top of the existing structure of Hillside Islamic Center. This will allow us to increase prayer and program space by approximately 3,700 ft². We have finalized the architectural layout and are now in need of your generous contribution to bring the project into reality. The phases of the project are as follows:

Phase 1: Mobilization, demolition of two houses and installing parking lot	Phase 2: Steel framing of third floor, roof and walls construction.	Phase 3: Replacing old elevator with new one and stairway extension.	Phase 4: Electrical, HVAC, +other upgrades with 1st fl modification.
\$250,000	\$350,000	\$150,000	\$225,000

TOTAL: \$975,000

The Prophet (ﷺ) said, “Whoever builds a mosque, desiring thereby Allah’s pleasure, Allah builds for him the like of it in paradise.” ~*Bukhari*

We can not pull this project off without your prayers and support. Whether you give to the masjid on a regular basis, or just attend on occasion, we’re asking you to consider contributing to this massive undertaking prayerfully. It’s something we need our entire muslim community’s help with.

Even if you are unable to make a large gift, know that every little bit helps. It’s more about coming together as a community united behind a common cause. We hope that you’ll consider making a donation towards this great step forward that we’re making together. JazakAllah Khair.
